

STATE BUILDING CODE COUNCIL

1. Sta	ate Building Code to be Amended:							
	☐ International Building Code	☐ State Energy Code						
	☐ ICC ANSI A117.1 Accessibility Code	☐ International Mechanical Code						
	☐ International Existing Building Code	 ☐ International Fuel Gas Code ☐ NFPA 54 National Fuel Gas Code ☐ NFPA 58 Liquefied Petroleum Gas Code ☐ Wildland Urban Interface Code 						
	☐ International Residential Code							
	☐ International Fire Code							
	☐ Uniform Plumbing Code							
	Section(s):							
	(e.g.: Section: R403.2)							
	Title:							
(e.g: Footings for wood foundations)								
2. Pr	oponent Name (Specific local government, org	ganization or individual):						
	Proponent:							
	Title:							
	Date:							
3. De	esignated Contact Person:							
	Name:							
	Title:							
	Address:							
	Office Phone:							
	Cell:							
	F-Mail address							

4. Pro	Proposed Code Amendment . Reproduce the section to be amended by underlining all added language, striking through all deleted language. Insert <u>new</u> sections in the appropriate place in the code in order to continue the established numbering system of the code. If more than one section is proposed for amendment or more than one page is needed for reproducing the affected section of the code additional pages may be attached. (Examples on the SBCC <u>website</u>)									
	Code(s)			Section(s)						
	Enforceable code language must be used; see an example <u>by clicking here</u> . Amend section to read as follows:									
Spe tha	5. Briefly explain your proposed amendment, including the purpose, benefits and problems addressed. Specifically note any impacts or benefits to business, and specify construction types, industries and services that would be affected. Finally, please note any potential impact on enforcement such as special reporting requirements or additional inspections required.									
6. Specify what criteria this proposal meets. You may select more than one. The amendment is needed to address a critical life/safety need. The amendment is needed to address a specific state policy or statute. The amendment is needed for consistency with state or federal regulations. The amendment is needed to address a unique character of the state. The amendment corrects errors and omissions.										
7. Is there an economic impact: Yes No Explain: If there is an economic impact, use the Table below to estimate the costs and savings of the proposal on construction practices, users and/or the public, the enforcement community, and operation and maintenance. If preferred, you may submit an alternate cost benefit analysis.										
		Construction ¹		Enforcement ²		Operations & Maintenance ³				
Building Type		Costs	Benefits ⁴		Benefits ⁴		Benefits ⁴			
Residential										
Single family										
Multi-family Commercial/Retai										
Industrial										
Institutional										
Please	send your c	•	oposal to: sbcdd to be conside		Incomplete pro	posals will not t	pe accepted.			

¹ \$ / square foot of floor area or other cost. Attach data. **Construction** costs are costs prior to occupancy, and include both design and direct construction costs that impact the total cost of the construction to the owner/consumer.

² Cost per project plan. Attach data. **Enforcement** costs include governmental review of plans, field inspection, and other action required for enforcement.

³ Cost to building owner/tenants over the life of the project.

⁴ Measurable benefit.
